State Oil & Gas Inspector

Dear Pete:

Enclosed is a copy of a wire to Frank Gray of the Anderson and Prichard Production Corporation. Mr. Gray discussed this matter with me by long distance phone this morning. It appeared to be a case without particular complications, and hence I did not try to discuss it with you by long distance phone before handling the matter.

I told Mr. Gray to get in touch with you and tell you of our phone conversation. If there are any complications, please advise me.

Very truly yours,

E. H. Wells
State Geologist
