Amerada Petroleum Corporation W.P. Byrd Well No. 2 in SW 1/4 NE 1/4  
Company or Operator Lease  
 of Sec. 12, T. 20, R. 36, N. M. P. M., Monument Field,  
Lea County.

**FULL DETAILS OF PROPOSED PLAN OF WORK**

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

8 5/8" 32# 8-Thd. New Seamless casing was set in this well at 2414' and cemented by the Halliburton Method with, 500 sacks through the casing and 300 sacks through the Bradenhead.

Casing and fittings will be tested with 1200# pump pressure and allowed to stand undisturbed for thirty minutes. If no drop in pressure results the cement will then be drilled out of the casing and the same test of 1200# pump pressure again applied and allowed to stand undisturbed for thirty minutes. If no drop in pressure results the drilling will then be resumed.

Approved \_\_\_\_\_, 19\_\_\_\_

Title \_\_\_\_\_

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and reporting, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and privacy. It provides strategies to mitigate these risks and ensure that data is used responsibly and ethically.

5. The fifth part of the document discusses the importance of data governance and the establishment of clear policies and procedures. It stresses that a strong governance framework is essential for maintaining the integrity and reliability of the organization's data assets.

6. The sixth part of the document explores the role of data in strategic planning and performance management. It illustrates how data-driven insights can help organizations identify trends, opportunities, and areas for improvement, leading to more informed and effective strategic decisions.

7. The seventh part of the document discusses the importance of data literacy and training for all employees. It emphasizes that having a data-literate workforce is critical for maximizing the value of data and driving organizational success in a data-driven world.

8. The eighth part of the document concludes by summarizing the key findings and recommendations. It reiterates the importance of a holistic approach to data management, one that integrates technology, governance, and a data-driven culture to achieve the organization's goals and objectives.

### Conclusion and Recommendations

9. In conclusion, the document highlights that data is a valuable asset that can provide significant insights and drive organizational growth. However, realizing the full potential of data requires a commitment to high standards of data management, governance, and literacy. By implementing the recommended practices, organizations can ensure that their data is accurate, secure, and effectively used to inform their strategic and operational decisions.

10. The document also provides several key recommendations for organizations looking to improve their data management practices. These include: investing in robust data management systems; establishing clear data governance policies; promoting data literacy and training; and fostering a data-driven culture where data is used to inform decision-making at all levels of the organization.

11. The document further emphasizes the need for ongoing monitoring and evaluation of data management practices. It suggests that organizations should regularly assess their data management processes and make adjustments as needed to stay current with evolving technologies and best practices.

12. Finally, the document stresses the importance of transparency and accountability in data management. It encourages organizations to be open about their data practices and to ensure that all data is handled in a responsible and ethical manner, respecting the privacy and rights of individuals.

13. In summary, the document provides a comprehensive overview of the key aspects of data management and offers practical guidance for organizations seeking to optimize their data practices. By following these recommendations, organizations can harness the power of data to drive their success in a competitive and data-driven market.

14. The document concludes with a final note of encouragement, stating that with the right approach and commitment, organizations can unlock the full potential of their data and achieve their long-term goals and objectives. It encourages organizations to embrace a data-driven mindset and to continuously seek ways to improve their data management practices.
