

of 1500 feet of the well located on the proposed non-standard gas proration unit.

7. Unless the non-standard gas proration unit, as requested in this application, is approved by the Commission, Applicant will be deprived of the opportunity to recover its just and equitable share of the gas from the reservoir.

Therefore, Applicant respectfully requests the Director of the Commission grant an exception to Rule 5(a) in accordance with the provisions of Rule 5(b) of Order R-520, as amended, approving the non-standard gas proration unit hereinabove requested.

Respectfully submitted,

AZTEC OIL & GAS COMPANY
