 Santa Fe, New Mexico

Attention: Mr. W. B. Macey,
 Secretary-Director

Gentlemen:

Reference recent correspondence from your Hobbs office regarding the reclassification of our Federal Pipeline No. 4, SE/4 of SE/4 of Section 26, T-20-S, R-36-E, Lea County, from a Dunce-Monument oil well to a Dunce gas well.

We have attached a gas unit plat which allocates 40 acres to subject well and is described as the SE/4 of the SE/4 of Section 26, T-20-S, R-36-E.

We would appreciate you issuing the necessary administrative order assigning the 40 acres to the well so that we might operate it as a gas well in the Dunce Gas Pool.

Yours very truly,

HUMBLE OIL & REFINING COMPANY
