

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

# THE HISTORY OF THE UNITED STATES

BY CHARLES A. BEAN

The history of the United States is a story of growth and progress. From the first settlers to the present day, the nation has expanded its territory and improved its institutions. The early years were marked by struggle and hardship, but the spirit of freedom and democracy prevailed. The American people have shown a remarkable ability to overcome adversity and build a great nation. The history of the United States is a testament to the power of the human spirit and the values of liberty and justice for all.

The American Revolution was a turning point in the nation's history. It was a struggle for independence and self-governance. The American people fought for their rights and won. The Constitution was adopted, and the United States became a sovereign nation. The American Revolution was a triumph of democracy and freedom. It was a defining moment in the history of the United States. The American people have always been proud of their heritage and their values. The American Revolution is a source of inspiration and pride for all Americans.

The American Civil War was a period of great conflict and suffering. It was a struggle for the preservation of the Union and the abolition of slavery. The American people fought for their country and their principles. The American Civil War was a defining moment in the history of the United States. It was a test of the nation's strength and resolve. The American people have always been proud of their heritage and their values. The American Civil War is a source of inspiration and pride for all Americans.
