Re: Linam #1-E Sec. 4-19-37

Gentlemen:

In accordance with the provisions of Order No. R-520, the above-named well will be reclassified as an oil well in the Eumont gas pool effective April 1st. This is based on the Gas Oil Ratio test reported on Form C-116, received in this office March 28, 1956. It is therefore requested that you file revised Form C-110 showing this well to be an oil well in the Eumont gas pool. The gas proration unit will be cancelled effective April 1, 1956 .

Yours very truly,

OIL CONSERVATION COMMISSION
