

f. That the 324-acre lease in which a non-standard unit is proposed is wholly contained within extensions previously made in the Kumont Gas Pool.

g. That by copy of this letter and the request for waivers Continental Oil Company and Shell Oil Company, under subparagraph b of paragraph 5 of Rule 5(b) of Order R-520, were notified and requested to send one executed copy of the waiver to you and one copy to The Texas Company.

This application is to form a 324 acre non-standard proration unit around The Texas Company's State "C" NST-6 Well No. 1 to consist of the E/2 of Section 6, T-19-N, R-37-E, Lea County, New Mexico. The Texas Company therefore requests the Oil Conservation Commission to grant an administrative non-standard proration order under Rule 5(b) of Order R-520 as soon as waivers are received under paragraph 5 of Rule 5(b) from Continental and Shell.

Respectfully submitted,

THE TEXAS COMPANY, PROD. DEPT.
