

1/25/55

- (d) The length or width of the proposed unit does not exceed 5280 feet.
- (e) By copy of this letter of application all operators owning interests in the section in which the proposed unit is located and all operators within 1500 feet of the gas well are notified by registered mail.

In view of the existence of the facts herein stated and full compliance with the provisions of Rule 5 of Order 1-520 John W. Kelly requests that you as Secretary of the Commission approve the above described non-standard gas proration unit.

Respectfully submitted

John W. Kelly
