New Mexico Oil Conservation Commission

Box 571

Santa Fe, New Mexico

Attention: Mr. A. L. Foster

Sir:

We were recently notified by the New Mexico Oil Conservation Commission that the Commission had approved the formation of our 240-acre Saunders-State "K" Non-standard gas production unit, comprising the 1/2 28/4 and 28/4 of Section 13, T-19-S, R-37-E, Eumont Gas Pool, Lea County, New Mexico. The notification indicated that the Commission's approval was contingent on the receipt of an affidavit showing that all royalty and overriding royalty interest owners in the unit had agreed to its formation.

The attached affidavit is submitted to satisfy this requirement. We trust that this instrument adequately presents the desired information. If further data concerning this unit are required, please advise.

Very truly,

R. A. Haden

Petroleum Engineer
