

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

MINERAL AND OTHER REPORTS ON WELLS

The Commission has received reports from various sources regarding the status of wells in the State of New York. These reports include information on the location, depth, and production of wells, as well as the names of the owners and operators. The Commission has reviewed these reports and has found that they contain valuable information regarding the mineral resources of the State. It is the policy of the Commission to make this information available to the public, and to this end, it has prepared this report.

Indicate names of reports by checking in box
