

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

NOTICE OF INTENTION TO DRILL

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.
Gentlemen:

Tulsa, Oklahoma

Place

June 9, 1937

Date

You are hereby notified that it is our intention to commence the drilling of a well to be known as

Gulf Oil Corporation

Elbert Shipp

Well No. 1 in SE NW

Company or Operator

of Sec. 21, T. 19S, R. 37E, N. M. P.M.,

Lease

Monument

Field, Lea

County.

The well is 660 feet (N.) 133 of the South line and 660 feet
(W.) of the East line of SE NW

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. _____, Assignment No. _____

If patented land the owner is _____

Address _____

If government land the permittee is _____

Address _____

The lessee is **Gulf Oil Corporation**

Address **Tulsa, Oklahoma**

We propose to drill well with drilling equipment as follows:

AREA 640 ACRES
LOCATE WELL CORRECTLY

Rotary Tools

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows:

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
15-5/4	10-5/4	52.75	New	500'	Cemented	200 To surface
9-7/8	7-5/8	22	New	1450	Cemented	250 & 5 sacks of Aquagel
6-3/4	5-1/2	17	New	5960	Cemented	175

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about 5960 feet.

Additional information:

Approved JUN 10, 1937
except as follows:

Sincerely yours,

Gulf Oil Corporation

(Company or Operator)

By [Signature]

Position **General Superintendent**

Send communication regarding well to

Name **S.G. Sandersen**

Address **Tulsa, Oklahoma**

OIL CONSERVATION COMMISSION,

Title _____

DUPLICATE

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in the accounting cycle, from identifying the transaction to posting it to the appropriate ledger account.

3. The third part of the document discusses the role of the auditor in verifying the accuracy of the records. It explains how the auditor uses various techniques, such as sampling and vouching, to ensure that the financial statements are true and fair.

4. The fourth part of the document discusses the importance of internal controls in preventing errors and fraud. It describes how a well-designed internal control system can help to ensure that transactions are recorded accurately and that assets are protected.

5. The fifth part of the document discusses the importance of transparency and accountability in the financial system. It explains how the publication of financial statements and the availability of information to the public can help to build trust and confidence in the system.

6. The sixth part of the document discusses the importance of the role of the government in regulating the financial system. It explains how government intervention is necessary to ensure that the system operates in a fair and efficient manner.

7. The seventh part of the document discusses the importance of the role of the private sector in the financial system. It explains how the private sector can contribute to the growth and development of the economy through its investment and innovation.

8. The eighth part of the document discusses the importance of the role of the international community in the financial system. It explains how international cooperation is necessary to ensure that the system operates in a stable and secure manner.

9. The ninth part of the document discusses the importance of the role of the central bank in the financial system. It explains how the central bank can help to maintain the stability of the financial system by controlling the money supply and interest rates.

10. The tenth part of the document discusses the importance of the role of the regulatory bodies in the financial system. It explains how these bodies can help to ensure that the system operates in a fair and efficient manner by enforcing the rules and regulations.

11. The eleventh part of the document discusses the importance of the role of the public in the financial system. It explains how the public can help to ensure that the system operates in a fair and efficient manner by providing feedback and participating in the decision-making process.

12. The twelfth part of the document discusses the importance of the role of the private sector in the financial system. It explains how the private sector can contribute to the growth and development of the economy through its investment and innovation.
