OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

September 3rd, 1936.

Mr. F. J. Vesely,
State Oil and Gas Inspector,
Carlsbad, New Mexico.

Dear Pete:

This is to advise you that we have received Form C-101 for Skelly Oil Company State "E" Well No. 2 in ~~CNE₄NE₄~~ Sec. 29, T. 19, R. 37, with your approval.

Notice of intention to drill was approved for their State E No. 1 well under date of May 7th, 1936. The location on these two wells is exactly the same.

Will you kindly investigate so that proper corrections can be made in our forms, both in your office and here in Santa Fe.

Very truly yours,

OIL CONSERVATION COMMISSION
