Gentlemen:

This is to advise that on October 31, 1981 the Getty Oil Company's State H #2 Eumont Queen gas well located in Unit K of Section 32, Township 19-S, Range 37-E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to abandonment of Eumont Queen zone.

Yours truly,
