EL PASO NATURAL GAS COMPANY

Memorandum

PERMIAN DIVISION OFFICE 000

To: H. H. Shelton

From: Kenneth N. Gordon

Date: July 6, 1960

1960 JUL 7 AM 10:10

Place: Permian Division Office
Dispatching Department

STANDARD OIL COMPANY OF TEXAS
State 1-35-1 (M-35-19-37) (60-633)

On July 2, 1960, at 6:00 P.M., the above listed well was switched from the Jal High Pressure Gathering System to the suction of #22 high pressure field compressor due to its inability to produce minimum contract requirements.
