Jal, New Mexico

State of New Mexico Oil Conservation Commission  
P. O. Box 2045  
Hobbs, New Mexico

ATTENTION: Mr. S. J. Stanley

Dear Sir:

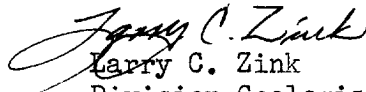

In reply to your inquiry as to the location of the El Paso Natural Gas Company - Shell State No. 1; the correct location for this well is 660 feet from the North line and 990 feet from the East line of Section 3, Township 20 South, Range 37 East, NMPM, Lea County, New Mexico.

This well was formerly owned by Mr. E. B. Clark and was drilled by Mr. Clark. It is the understanding of this office that the Application to Drill (Form C-101) as filed by Mr. Clark indicated the location as being 660 feet from the North line and 330 feet from the East line of said section. It is the further understanding of this office that the Commission was not informed of a change in location from the original site.

As stated above, the correct location for this well is 660 feet North and 990 feet East, Section 3, T-20-S, R-37-E. If any further information is desired relative to this well, please feel free to inquire at any time.

Sincerely yours,

EL PASO NATURAL GAS COMPANY

  
Larry C. Zink  
Division Geologist
