Re: Application for Unorthodox Well Location  
J.R. Phillips #12  
Eumont Yates Seven Rivers Queen Gas Pool  
Unit F, Sec. 6, T20S, R37E  
Lea County, New Mexico

Gentlemen:

Texaco respectfully requests administrative approval for an unorthodox well location for the subject well. J.R. Phillips #12 is located 2269' FNL and 2266' FWL, and recompletion of this Monument Paddock well to the Eumont Yates Seven Rivers Queen prorated gas pool will make the existing location too close to the section boundary. A map of the subject well with offset tracts, ownership, and wells is attached.

All offset operators have been notified of the proposed unorthodox well location by copy of this letter.

Sincerely,

Terry L. Frazier  
Hobbs Operating Unit Manager
