Position District Supt.

Send communications regarding well to

Name C. C. Cummings.

Address Hobbs, New Mexico.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. The letter is addressed to the Senate and House of Representatives, and is signed by Abraham Lincoln. The letter discusses the state of the Union and the progress of the war against the Confederacy. It also mentions the recent passage of the Emancipation Proclamation and the President's hopes for a speedy end to the conflict.

2. The second part of the document is a report from the Secretary of War, dated January 10, 1862. The report is addressed to the President and discusses the military situation in the South. It mentions the recent victories at Fort Mifflin and Fort Fisher, and the progress of the Union army in the field. The report also mentions the need for more troops and supplies, and the importance of maintaining the morale of the soldiers.

3. The third part of the document is a report from the Secretary of the Navy, dated January 15, 1862. The report is addressed to the President and discusses the state of the Navy. It mentions the recent capture of the Confederate ship, the *Albatross*, and the progress of the Union fleet. The report also mentions the need for more ships and crews, and the importance of maintaining the strength of the Navy.

4. The fourth part of the document is a report from the Secretary of the Interior, dated January 20, 1862. The report is addressed to the President and discusses the state of the Interior. It mentions the recent discovery of gold in California, and the progress of the Union government in the West. The report also mentions the need for more land and resources, and the importance of maintaining the stability of the Interior.

5. The fifth part of the document is a report from the Secretary of the Treasury, dated January 25, 1862. The report is addressed to the President and discusses the state of the Treasury. It mentions the recent passage of the Revenue Act of 1862, and the progress of the Union government in raising revenue. The report also mentions the need for more funds, and the importance of maintaining the strength of the Treasury.

6. The sixth part of the document is a report from the Secretary of the War, dated February 1, 1862. The report is addressed to the President and discusses the military situation in the South. It mentions the recent victories at Fort Mifflin and Fort Fisher, and the progress of the Union army in the field. The report also mentions the need for more troops and supplies, and the importance of maintaining the morale of the soldiers.

7. The seventh part of the document is a report from the Secretary of the Navy, dated February 5, 1862. The report is addressed to the President and discusses the state of the Navy. It mentions the recent capture of the Confederate ship, the *Albatross*, and the progress of the Union fleet. The report also mentions the need for more ships and crews, and the importance of maintaining the strength of the Navy.

8. The eighth part of the document is a report from the Secretary of the Interior, dated February 10, 1862. The report is addressed to the President and discusses the state of the Interior. It mentions the recent discovery of gold in California, and the progress of the Union government in the West. The report also mentions the need for more land and resources, and the importance of maintaining the stability of the Interior.

9. The ninth part of the document is a report from the Secretary of the Treasury, dated February 15, 1862. The report is addressed to the President and discusses the state of the Treasury. It mentions the recent passage of the Revenue Act of 1862, and the progress of the Union government in raising revenue. The report also mentions the need for more funds, and the importance of maintaining the strength of the Treasury.

10. The tenth part of the document is a report from the Secretary of the War, dated February 20, 1862. The report is addressed to the President and discusses the military situation in the South. It mentions the recent victories at Fort Mifflin and Fort Fisher, and the progress of the Union army in the field. The report also mentions the need for more troops and supplies, and the importance of maintaining the morale of the soldiers.
