OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico

Place

Date

Gentlemen:

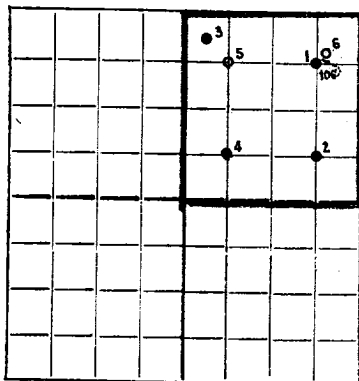

You are hereby notified that it is our intention to commence the drilling of a well to be known as

Sun Oil Company

H. D. McKinley

Well No. 6 in NE/4

of Sec. 5, T. 19S, R. 38E, N. M. P. M., Bowers Field, Lea County.

AREA 360 ACRES
LOCATE WELL CORRECTLY

The well is 585 feet [N.] [S.] of the North line and 585 feet [E.] [W.] of the East line of NE/4 of Sec. 5 *

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. Assignment No.

If patented land the owner is H. D. McKinley

Address Sterling City, Texas

If government land the permittee is

Address

The lessee is Sun Oil Company

Address Dallas, Texas

We propose to drill well with drilling equipment as follows:

Rotary from top to bottom

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: \$10,000. Blanket Bond filed with State Land Office

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
12-1/4"	9-5/8"	36	New	300'	Cemented	150
8-3/4"	7"	20	New	3125'	Cemented	675

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about 3165 feet.

Additional Information: (*) - 106' Northeast of Well No. 1, producing from section 3984/4175'! No. 6 is to be drilled to total depth of 3125' and produced from the Bowers Sand, the top of which is estimated to be at 3165'.

(Hobbs Pool)

Approved

STATE OF NEW YORK

THE COMMISSIONER OF THE GENERAL LAND OFFICE, in compliance with the provisions of the chapter of the laws of this State, passed at the session of the Legislature at Albany, in 1884, chapter 485, section 1, has the honor to submit herewith a report of the operations of the office during the year 1885.

The operations of the office during the year 1885 have been characterized by a steady and uniform progress. The number of applications for land has been large, and the amount of land sold has been considerable. The office has also been engaged in the purchase of land for the State, and in the disposal of land belonging to the State. The following table shows the number of applications for land, and the amount of land sold, during the year 1885:

Number of applications for land	Amount of land sold
1,234	1,234

Number of applications for land	Amount of land sold
1,234	1,234

The following table shows the number of applications for land, and the amount of land sold, during the year 1885:

Number of applications for land	Amount of land sold
1,234	1,234

The following table shows the number of applications for land, and the amount of land sold, during the year 1885:

Number of applications for land	Amount of land sold
