Notice of intention to shoot <input checked="" type="checkbox"/>	

Mr. **E. H. WELLS** Santa Fe N. Mex. **MARCH 22nd/11**

State Geologist
Santa Fe, New Mexico.

Following is a report giving the results of work done as indicated above at **STATE LAND**

Well No. **1** in **NE cor. S1/4** of Sec. **9** T. **19** R. **3E**,
N.M.P.M., **HOBBS** Oil Field **LEA** County.

DETAILS

State names of and expected depths to objective sands or producing horizon; show sizes, weights, and lengths of casing run or proposed; indicating mudding jobs, cementing points, water horizon, number of days operated, and total depth at end of month, and other important information.

It is our intention to shoot this well with the object of increasing the production. We will plug back 5' in an endeavor to shut off bottom water, and shoot the well with two small shots. Shots to be placed between the depths of 4200 and 4208' the latter being the total depth after plugging back.
