

- (G) That the granting of this application for permission to produce the well as a dual completion with gas from the Queen and oil from the San Andres, is in the interest of conservation and the protection of correlative rights.
- (H) That the applicant will comply with all the rules and regulations of the New Mexico Oil Conservation Commission to maintain separation of production from the two pay zones.
- (I) That by copy of this letter of application by registered mail, all offset operators are notified of the dual completion.

Therefore, Amerada Petroleum Corporation requests that the Oil Conservation Commission grant permission to the applicant to produce the subject well as a dual completion as proposed in this application.

Respectfully submitted,

AMERADA PETROLEUM CORPORATION
