In accordance with approved BLM Special Land-use Permit and with NMOCC Order No. R-4112 issued 3/4/71, we propose to abandon this well and lease for the purpose of producing oil and gas and to convert the well to salt water disposal service. The well will be converted when it is needed to serve our West Teas SWDS. The well will be equipped with 2-3/8" tubing installed in a packer set at approximately 2950' and water will be pumped into Yates-Seven Rivers formation.
