Section 18, T-20-S, R-33-E

Gentlemen:

In accordance with New Mexico Oil Conservation Commission Order R-111-A, I enclose a copy of "Notice of Intention to Drill". As you are aware, it requires that prior to commencing operations all potash leaseholders within one mile may object or grant permission to conduct drilling operations.

You will note that the casing program is in accordance with R-111-A and that all operations will be conducted in accordance with that order.

In the event you have no objections to such an operation, your written permission to Mr. J. D. Ramey, New Mexico Oil Conservation Commission, Hobbs, New Mexico, will be appreciated.

Very truly yours,

R
