(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This WELL is shut in due to the amount of water it makes. At today's price and the time, it is not feasible to run at this time, we plan to put this well back in production in the future. PLEASE ACCEPT this notice for shut in with intent to fix.
