Re: Proposed Recompletion
 R.H. Huston, Jr. #2-J
 Sec. 8, T19S, R37E

Gentlemen:

In July 1991 we approved the plug back and recompletion of the above-referenced well from the Eunice Monument GB/SA Pool to the Eumont YSRQ Pool. A NSL and SD order was obtained for this work. Please advise if the work has been done or if you have plans to complete it in the near future.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
