Michael:

The above referenced well had to be moved because of a fenceline.  
At the request of the landowner we moved the location of the well.  
Is is now staked at:  
100' FSL 92' FEL, Sec. 29, T19S, R38E

We respectfully request an amendment to the above stated order  
showing the new location.

If more information is needed please call at 915/685-0878.

Sincerely,

Bonnie Atwater
