Re: Unorthodox Location
West Pearl Queen Unit # 190
T19S, R35E
Lea County, New Mexico

Dear Mr. Stogner:

This letter shall serve as our request to have the following unorthodox location approved by your office.

90' FEL 1440' FSL, Sec. 29, Unit I, T19S, R35E

On the attached plat, you will note our location lies within the unit boundaries of the West Pearl Queen Unit. We offset ourselves on these locations. We are requesting approval of this location because it will allow us to establish a more efficient waterflood pattern within the unit.

Should you have any questions, please call.

Sincerely,

Scott Graef
Production Engineer
