If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Nearburg Producing Company requests permission to Temporary Abandonment for 180 days. We are evaluating the possibility of turning this well into an disposal well. We are disposing into Shackleford Oil Company well, which is at maximum disposal capacity. We are completing the Python 3 Federal #5 and Python 3 Federal #7 at this time and are planning to drill the Python 3 Federal #4 and #6 in the next 60 - 90 days. If the wells are successful we will need to convert this well to a disposal.
