#6-G, 5-20s-37e

API #30-025-35044

Gentlemen:

Twelve months or more have elapsed since Division Form C-101, Notice of Intention to drill, for the subject well was approved. To date no progress reports, Form C-103, have not been received. Therefore, approval of your permit to drill this well has now expired and no drilling operations are to be initiated without further notice to and approval by the Oil Conservation Division. Pending such approval, this location will be considered as an abandoned location

If drilling has been done, please file subsequent reports of this work immediately to bring this file into current status.

Very truly yours,

OIL CONSERVATION DIVISION
