Gentlemen:

District I Geologist Paul Kautz has taken another look at the logs and the completion of this well. He has determined that this well is only producing from the Monument Tubbs pool at this time. The DHC application is being returned to you, because it is not needed.

If you have any questions on this matter, please contact Paul Kautz or Donna Pitzer at the OCD office in Hobbs (505) 393-6161.

Yours truly,

OIL CONSERVATION DIVISION
