

NE MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MAY 12 1937

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

1. The purpose of this document is to provide a comprehensive overview of the current status of the project and to identify the key challenges that must be addressed in order to ensure its successful completion. The information presented herein is intended for the use of senior management and other stakeholders who are responsible for the oversight and funding of the project.

2. The project has made significant progress since its inception, and it is anticipated that the remaining tasks will be completed within the specified timeline. However, there are several areas where additional resources and support are required to address the identified risks and ensure that the project remains on track.

3. The following table provides a summary of the project's performance to date, including key milestones, budget status, and risk levels. It is important to note that the data presented in this table is preliminary and subject to change as more information becomes available.

Milestone	Actual Date	Budget Status	Risk Level
Project Kick-off	10/15/2023	On Track	Low
Phase 1 Completion	11/30/2023	Over Budget	Medium
Phase 2 Completion	01/31/2024	On Track	Low
Phase 3 Completion	03/31/2024	Under Budget	Low
Final Report Submission	05/31/2024	On Track	Low

4. In addition to the information provided in this document, a detailed report of the project's progress and financial performance will be submitted to the project steering committee on a regular basis. This report will include a comprehensive analysis of the project's performance and a list of recommendations for how to address the identified challenges.

5. The project team is committed to providing the highest quality of service and to ensuring that the project is completed on time and within budget. We are confident that the challenges identified in this document can be successfully addressed and that the project will achieve its intended objectives.

6. If you have any questions or concerns regarding the information presented in this document, please contact the project manager at [redacted] or the project sponsor at [redacted].
