Section 19, T20S, R38E

Gentlemen:

Your intention to recomplete the above-referenced well in the San Andres formation was approved in November 1985. We have received two progress reports on this recompletion attempt. However, we have not received a request for an allowable or permission to leave the well temporarily abandoned.

Please file a status report on this well to bring our records up to date.

Very truly yours,

OIL CONSERVATION DIVISION
