(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

In addition to hauling fresh and brine water from commercial sources, we plan to utilize produced water from our offsetting tank batteries to drill the captioned well.

I hereby certify that the foregoing is true and correct
