Gentlemen:

As a result of the recently submitted gas-oil ratio test for your W. A. Ramsay (NCT-A) Well No. 12 located in Unit M of Section 35, T-21-S, R-36-E, the well will be reclassified as a gas well in the Eumont Pool effective September 1, 1979, and the oil allowable will be cancelled that date.

For the same reason, the zone in your J. F. Janda (NCT-B) Well No. 1 located in Unit J of Section 32, T-21-S, R-36-E, which is currently classified as Eumont oil, is also being reclassified to gas effective September 1, and the oil allowable will be cancelled.

Please advise this office when you have complied with the provisions of Division Order No. R-1670 pertaining to the Eumont Pool in order that gas allowables can be assigned.

Yours very truly,

OIL CONSERVATION DIVISION

Supervisor, District 1
