Dear Mr. Hosford:

Your letter of May 28, 1958, requested that 640 acres be dedicated to your W.A. Ramsay "A" Well No. 20, located in the SW  $\frac{1}{4}$  NW  $\frac{1}{4}$  of Section 35, Township 21 South, Range 36 East, Eumont Gas Pool. The acreage to be assigned the well was all of Section 35.

This is to advise you that your request is hereby denied. Order R-520 defines a Standard Gas Unit as 640 acres within a single governmental section with the unit well located 1980 feet from the nearest boundary line.

If you wish to pursue the formation of this unit further, it will be necessary that application be made to Mr. A.L. Porter, Jr., Secretary and Director, for a Non-Standard Location, in accordance with Rule 3 of Order R-520.

Yours very truly,

R.F. Montgomery
