Re: Application for Triple Completion,
Lockhart P-11 No. 16

Gentlemen:

We forward herewith application in duplicate for authority to effect a triple completion between the Santz-Abo, Drinkard, and Terry-Blinchry Oil Pools in our Lockhart P-11 No. 16, located in Unit F, Section 11, Township 21 South, Range 37 East, Lea County, New Mexico. This well is currently dually completed in the Santz-Abo and Drinkard Oil Pools. The Abo zone will not be disturbed, but the present Drinkard intervals will be squeezed with cement, and the zone will be re-perforated as shown on the log attached to the application.

Two copies of the application are being furnished to your Hobbs District Office by copy of this letter. A copy is also being furnished by certified mail to each of the offset operators listed on the application. Your further handling and approval of this application will be sincerely appreciated.

Yours very truly,

JOHN L. JAMIESON, JR.
