1. The first part of the report
describes the general situation
of the country and the
state of the economy.

2. The second part of the report
describes the state of the
economy and the state of the
country.

3. The third part of the report
describes the state of the
economy and the state of the
country. The fourth part of the
report describes the state of the
economy and the state of the
country. The fifth part of the
report describes the state of the
economy and the state of the
country.

4. The sixth part of the report
describes the state of the
economy and the state of the
country. The seventh part of the
report describes the state of the
economy and the state of the
country.

5. The eighth part of the report
describes the state of the
economy and the state of the
country. The ninth part of the
report describes the state of the
economy and the state of the
country.

6. The tenth part of the report
describes the state of the
economy and the state of the
country. The eleventh part of the
report describes the state of the
economy and the state of the
country.
