- The first part of the document is a list of names and addresses of the members of the committee.

THE COMMITTEE ON  
EDUCATION

The committee has the honor to acknowledge the receipt of your letter of the 10th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. The committee is also pleased to learn that you are interested in the work of the committee and in the progress of the same. The committee is currently engaged in a study of the various factors which enter into the cost of education and is endeavoring to determine the most equitable method of apportioning the same among the various classes of the community. The committee is also engaged in a study of the various methods of raising the funds necessary to defray the cost of education and is endeavoring to determine the most efficient method of doing so. The committee is also engaged in a study of the various methods of improving the quality of the education and is endeavoring to determine the most effective method of doing so. The committee is also engaged in a study of the various methods of increasing the efficiency of the schools and is endeavoring to determine the most effective method of doing so. The committee is also engaged in a study of the various methods of increasing the efficiency of the schools and is endeavoring to determine the most effective method of doing so.
