13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Devon SFS Operating, Inc. requests a one year extension for the drilling and completion of this well. Due to time constraints and the inability to secure a drilling rig, it is now planned to drill this well during 2001. The original permit was approved on February 23, 2000. We would appreciate that the permit be extended for one year until February 23, 2002. Your approval would be appreciated.

Approved For 12 Month Period

Ending 2/23/2002

14. I hereby certify that the foregoing is true and correct
