

OIL CONSERVATION COMMISSION
HOBBS, NEW MEXICO

January 4, 1960

Amerada Pet. Corp.
Drawer "D"
Monument, New Mexico

Attention: Mr. A. J. Troop

Gentlemen:

Since the gas-oil ratio has increased from 36,750:1 to 70,610:1 during the sixty day testing period previously granted for your State LM "T" No. 5-C located in Unit A of Section 36, T-23-S, R-36-E, a sixty day extension to the testing period is hereby granted in order to properly classify the well, as requested in your letter of December 31, 1959.

Yours very truly,

OIL CONSERVATION COMMISSION

Joe D. Ramey
