Gentlemen:

We have been instructed to shut these wells in until an outlet for gas has been located. The only taker of casinghead gas in the immediate area is El Paso Natural Gas Company, who on the 24th of July ran a test and have now advised us that they will offer us a contract for purchase of this gas. Pending the signing of the contract, which is now in our office awaiting our execution, and the laying of the El Paso line, we are requesting an exception to the no-flare order.

Very truly yours,

JOSEPH I. O'NEILL, JR.
