Gentlemen:

We have received a gas oil ratio test (Form C-116 for the above-referenced well which will entitle it to an allowable. However, our records show this well has been shut in for a long period of time. The C-104 filed when you assumed ownership of this well from Sun did not indicate a transporter.

It will be necessary for you to file Form C-104 designating a transporter.

Very truly yours,

OIL CONSERVATION DIVISION
