Attn: Matt Ogden:

RE: STATUS OF WELL API# 30-025-28274
STATE A A/C 2, WELL #65, UNIT E, SEC9-T22S-R36E
RETURN WELL TO PRODUCTION OR PLUG AND ABANDON

Dear Mr. Ogden:

After further review of the well referenced above, the 2 options allowed by the State of New Mexico to bring this well into compliance are listed below:

- Repair the well and place the well on active status.
- Plug and abandon this well according to Rule 19.15.25.8

Operator must respond within 10 days of receipt of this letter. A NOI applicable to one of the options above will be required.

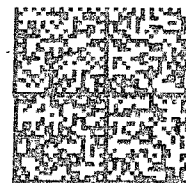

If you have any questions, please contact E.L. Gonzales, District Supervisor, at the Hobbs OCD District 1 Office @ 575-393-6161 x102.

Sincerely,

Sylvia A. Dickey
Field Compliance Officer
