RE: MISSING SUNDRY NOTICE
GREGORY A #7 – API#: 30-025-11867
Unit Letter "N" Section 33 T25S R37E
Lea County, New Mexico

Dear Ms. Mull,

I am in the process of designing the P&A for this well. Jim Amos with the BLM sent me the attached sundry notice, which indicates that a string of 3-1/2" casing was run & cemented in the well in 2004. This sundry notice is not on the State website. Knowing that there is a string of 3-1/2" casing in the well is very important in designing the P&A. Please add this sundry notice to the State website.

You may contact me at 505-327-4573 should you have any questions.

Very truly yours,

Mike Pippin
Petroleum Engineer
