Dear John:

Nearburg Producing Company plugged the above well in February 2013. It has been brought to our attention by the OCD inspector that three (3) power poles remain on the abandoned location. The inspector thinks two (2) poles are LeaCo and one (1) pole may be Nearburg's. Nearburg respectfully requests LeaCo remove all their equipment from the above location.

Please feel free to contact me at (432) 413-9747 if you have any questions. Thank you for your help.

Yours very truly,

Nearburg Producing Company
