Section 20, Township 21 South, Range 33 East  
Lea County, New Mexico

Dear Mr. Kautz:

Please be advised that there are no active potash leases within a one-mile radius of the proposed subject well. This was determined from the BLM's base map and the NM State Land Office website's Oil and Gas, Minerals Map Service.

If you need anything further from COG regarding this, please don't hesitate to contact me at 575-748-6952 or [mparker@concho.com](mailto:mparker@concho.com).

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie J. Parker".
