To Whom It May Concern,

Please find attached C-103 forms for the Plug & Abandonment of the two referenced McClure wells in Lea County, New Mexico. These wells have been shut in for an extended period of time and are in need of abandonment.

Please review and approve the attached documents at your earliest convenience. We have arranged for a contractor to perform the work and would like to take advantage of a narrow window of time that they are available.

Please feel free to contact me with any questions, comments or additional information requirements.

Sincerely,

Edward J. Pittinger, P.E.
Sr. VP and COO
