13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date		
of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.		
proposed completion of recompletion.		
Intent to perform mechanical integrity test (MIT). Well is temporarily abandoned with a CIBP at 11,818' with 4 sx cement on top (35'). Proposal is to run another MIT by testing the 5 ½" production casing to 500 psig for 30 minutes.		
Please disregard the previous sundry notice for an intent to plug and abandon the well. Legacy would like to defer plugging		
the well because it might have potential future use as a salt water disposal well.
