OTHER: ☐

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Due to a split in the 5.5" casing at 12,150', we are unable to complete as planned. We propose to permanently plug and abandon the well from 10,549' MD to 15,889' MD by setting a bridge plug at 10,600' MD and cementing back to 10,549' MD.

We will set the whipstock at 10,549' MD and sidetrack the well 50' east of the abandoned lateral to estimated TD of 15,940' MD.
