Subject: Online APD for Red Raider BKS State # 003H P-25-24S-33E 200 FSL & 925 FEL

Ysenia,

Yates Petroleum already has an APD 30-025-40735 Red Raider BKS State # 003H located at P-25-24S-33E 330 FSL & 390 FEL that expires on 08/31/2015. If you no longer intend to drill this well I need a request from Yates via e-mail requesting its cancelation. Before I can approve the new APD. If you still intend on drilling 30-025-40735, we need to change the well number on the new APD.
