Subject: Completion Status

Good morning, Donna.

I am responding to your letter dated 1/8/15 inquiring the status of the Corazon State Unit #12H (30-025-40954) and the Osprey 20 State Com #1H (30-025-40968).

The Corazon has not been completed yet. An injection test was performed in October, but they have not begun perforating.

I'm told the Osprey has some casing issues, and they have not decided how to proceed.
